## Global Mission

PRAISE GOD for the wonderful opportunity Eliana, Josh, Alissa, Ricky, Reuben, Brandon and Amelia had to live in Fiji over the last two weeks & the many opportunities to share the Christian message with so many young people.

NOW PRAY: For the Fijian young people who heard God speaking to them during the WOL visit. For God to continue to speak into their lives

For those who refused to listen, that their hearts will be softened to think about their relationship with God. For those who be-

gan a new walk in faith with Jesus as their Saviour, that they will grow in their spiritual journey. That all will grow in spiritual strength as they journey together.

REMEMBER also our own young people, that they will prayerfully ask God what His future direction is for their lives. That they will be more than ever determined to be faithful and loyal servants of God, who witness to their faith and love for Jesus. That they will quickly settle back into concentrating on their school studies.

were paid
