Global Mission

THIS WEEK - Thank God for the many recent new Bible translations that have been completed in the South East Asian region.

NOW PRAY FOR: The Urak Lawoi New Testament in South Thailand, The Koropune New Testament in West Papua, The Sinama revision of the New Testament and new portions of the Old Testament Sulu Archipelago, Southern Philippines. The recently completed New Testament in the tribal language of the hill people near Davao, Southern Philippines.

ASK GOD - To help people understand as they read and that the Holy Spirit will change lives. To protect and guard the distribution of the new translations. To encourage the many Christian workers who seek to teach and explain the Bible

and God's message to people who have only just become literate.

To build up Christian communities who will be strong to resist the many influences that seek to destroy God's message.

Pray that we will not take God's Word for granted, but will read it, study it and put it's message into our daily living.

ALSO

Pray for Sam Lamb and other Head Space Team members as they begin the short term mission programme in Thailand.
