Global Mission

Please continue to pray this week for all the young people involved with the recent visit to FIJI.

Praise God for the wonderful opportunity Eliana, Josh, Alissa, Ricky, Reuben, Brandon & Amelia had to live in Fiji over the last two weeks & the many opportunities to share the Christian message with so many young people.

Now Pray for: The Fijian young people who heard God speaking to them during the visit. For God to continue to speak into their lives. For those who refused to listen, that their hearts will be softened to think about their relationship with God

For Those who began a new walk in faith with Jesus as their Saviour, that they will grow in their journey.

That all will grow in spiritual strength as they journey together. Remember also our Young People, that they will prayerfully ask God what His future direction is for their lives.

That they will be more than ever determined to be faithful & loyal servants of God who witness to their faith & love for Jesus. That they will quickly settle back into concentrating on their school studies.

Also pray for Sam Lamb as he prepares along with other Head Space Team members to be involved with a short term mission programme in Thailand.

Its alright to hold a conversation, but you should let go of it now and then
